

Oluwasegun Barnabas Ajibade

Frontend Engineer

+2348143724562 | oluwasegunbarnabas@gmail.com | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)

Driven, with a dynamic vision of simple to intricate algorithms. I have a solid understanding of frontend [Javascript, React] tools including version control tools such as git and GitHub; to handle everything from small to large projects with speed and efficiency.

Highly dedicated Computer Science professional with a wealth of expertise in programming and passion for it. I am seeking a challenging role in software development to apply my expertise in problem-solving, coding, and software design.

Skills

JavaScript | React | Version control tools | Python | Software Design | Problem-solving | HTML5 | Cascading style Sheets | Attention to detail | Solid communication skills | Strong analytical mind | Critical thinking
